The Kentucky Board of Nursing will host a one day regional workshop for faculty teaching in Kentucky prelicensure nursing programs. The workshop will be conducted by the **NCSBN Examinations Department content staff** for the purpose of providing information to educators who prepare students to take the NCLEX® examination.

Workshop Objectives Include:

- Identifying the NCSBN practice analysis process and explaining how the results are used to update NCLEX test plans
- Illustrating basic principles of computer adaptive testing and describing standard setting
- Explaining the steps of the NCLEX item development process
- Identifying NCLEX alternate item formats
- Demonstrating and applying principles of item writing
- Identifying the use and application of NCLEX® Program Reports and Candidate Performance Report by nursing education programs
